

# JELLYFISH

LIKE THESE

# CAN KILL

IMAGE: James Seymour

## **FIRST AID:**

- \* Quickly pour **VINEGAR** over the stung area for 30 seconds
- \* Give CPR if necessary
- \* Urgently send for medical help

## **PREVENTION:**

- \* Ask about the presence of dangerous jellyfish
- \* Avoid swimming if they are likely to be present
- \* Wear protective clothing (long sleeves and legs)
